Person responsible for putting measures in place and monitoring compliance: Sabine Underwood, Maddi Murley and Megan Forder

Jumblies follows guidelines from the Government, local authority Early Years and Public Health England, including public health advice on testing, self-isolation and managing confirmed cases of COVID-19.

What is the hazard	Who might be harmed	Controls	Additional controls	Who is responsible
<p>Spread of Covid 19, corona virus within the setting</p>	<ul style="list-style-type: none"> • Children • Staff • Parents • Visitors to the setting 	<p>Social distancing We expect parents and staff to follow Government Guidance, see link above</p> <p>Good ventilation</p> <p>Hand washing, coughs, sneezes and fevers</p> <ul style="list-style-type: none"> • Ensure that soap and paper towels are always available. • Posters to explain good hand washing 	<ul style="list-style-type: none"> • When handing children over at drop off or pick up time, we encourage all children to walk in, to avoid unnecessary contact between parents and staff. • As many windows and doors as possible to be opened throughout the day. Remind parents to bring a hoodie/jumper/cardigan. • Staff and children to be reminded on a regular basis to wash their hands for 20 seconds with warm water and soap and the importance of proper drying. 	<p>Managers and all staff</p> <p>Managers and all staff</p> <p>Managers and all staff</p>

		<p>in the relevant areas.</p> <ul style="list-style-type: none"> • Hand sanitizer available throughout the setting. <p>Cleaning of rooms and resources</p> <ul style="list-style-type: none"> • All resources that have been mouthed to be washed daily. • Resources such as construction toys, dolls etc to be sprayed with antibacterial and antiviral spray. • Surfaces are wiped down regularly and at the end of every day. • Floors are vacuumed and mopped daily. • All curtains and carpets are sprayed daily with antibacterial/antiviral spray. • Carpets are steam cleaned weekly. • Toilets are cleaned regularly throughout the day <p>Snack and lunch times</p>	<p>Rigorous checks will be carried out by managers to ensure that the necessary procedures are being followed.</p> <p>Hands will be washed on entering the setting, after going to the toilet, before and after eating.</p> <ul style="list-style-type: none"> • Hand sanitiser is provided across the setting. • Teach children to catch coughs and sneezes in tissues and elbows– Follow Catch it, Bin it, Kill it and to avoid touching face, eyes, nose or mouth with unclean hands. • Tissues will be made available throughout the setting. • Children with a fever should not attend nursery. <ul style="list-style-type: none"> • Children's free access to all toys has been restricted to allow us to keep on top of cleaning everything that has been used. Children are still given a choice of resources. • Toys from home are discouraged. • Dressing up clothes and dolls clothes are washed weekly. <ul style="list-style-type: none"> • wearing of gloves is not a 	<p>Managers and all staff</p> <p>Managers and all staff</p>
--	--	---	---	---

		<ul style="list-style-type: none"> • Snack will be cut up in the kitchen by a member of staff wearing gloves or freshly washed hands • Tables will be wiped with antibacterial spray. • Snack plates will be passed around by staff, where possible the children will use tongs to pick up their pieces of fruit, if they cannot manage this by themselves, staff will support them. <p>PPE Where the Risk Assessment identifies wearing of PPE as a requirement of the job (for example gloves for nappy changing), an adequate supply of these will be provided. Staff will be instructed on how to remove gloves carefully to reduce contamination and how to dispose of them safely. Aprons, visors and face masks are available, these can be used when looking after a child who becomes unwell whilst at nursery.</p> <p>Sleeping</p> <p>Clean bedding is used for each child and either put in their box for the next day or in the washing machine if needed or the child doesn't attend again during that week.</p> <p>Staff shortages due to staff self isolating of being ill. Staff to arrange activities to allow less staff to supervise the children.</p>	<p>substitute for good hand washing and to ensure that aprons, gloves and mask are destroyed after each use.</p> <ul style="list-style-type: none"> • Managers to ensure sufficient availability of PPE. <p>Children with a raised temperature and/or other symptoms that require one to one care. should not attend nursery.</p> <p>Children and staff who display Covid symptoms should order or book an LFT/PCR test and follow Government Guidance.</p> <p>The bathroom should be cleaned and disinfected using standard cleaning products before being used by anyone else.</p> <ul style="list-style-type: none"> • Staff who are well in themselves to return to work. 	<p>Managers/Deputy Manager</p> <p>All staff are responsible to be aware of changes in children's health throughout the day and to inform the person in charge.</p> <p>Staff member in charge of sleepers on the day</p> <p>Managers</p>
